### ENTREPRENEUR | THSS Group Limited

> Based in Hong Kong S.A.R., THSS Group Limited ("THSS") is in the business of buying and selling bullion coins. To date THSS has secured distribution rights with the Rand Refinery and Austrian Mint. THSS buys and sells Krugerrand gold coins from the Rand Refinery and Philharmonic gold and silver coins from Austrian Mint. We believe with the current upheaval of economic conditions, precious metals offer the maximum safety and greatest potential gains. But why PHYSICAL Bullion Coins? With our current economic situation, have you ever thought what will be the END RESULT of the creation of all this money and throwing it at the problem? The Answer: It WILL NOT stimulate the economy. The cost of all this is INFLATION. There will be a HYPER INFLATION where the dollar becomes worthless, where the paper is worth more as wall paper than as currency.
