## FROM THE CONSUL GENERAL OF CANADA

What a year! In 2017, Canada rocked the world with the celebrations of our 150th anniversary of Confederation, putting our beautiful country in the spotlight: we're innovative, competitive and welcoming!

This 2018, Canada continues to rock on!

Canada's groove in Hong Kong owes much to the efforts of the Canadian Chamber of Commerce and the many people who support it. Allow me to extend profound thanks on behalf of the Government of Canada to those people who have contributed so generously of their time and other resources to Canada's success in Hong Kong.

In the music world, we claim some of the world's biggest artists in almost every genre - Arcade Fire, Justin Bieber, Feist, Drake, Michael Bublé, Shania Twain, Celine Dion, Leonard Cohen, Diana Krall, Joni Mitchell, Bryan Adams – the list goes on. But perhaps the most iconic Canadian rock-and-roll band of all is The Tragically Hip. The Hip are no ordinary musicians to Canadians – their music lives and breathes of the country that we all love. So it was with much sadness last year that Canadians marked the passing of the Hip's frontman, Gord Downie. Downie was known for his strength and courage – he continued to shine light on indigenous reconciliation issues as he battled brain cancer, before leaving behind The Gord Downie & Chanie Wenjack Fund, which supports the reconciliation process, and a legacy that continues to inspire Canadians.

And inspired, we are.

The Canadians of 2018 are upbeat people who look to the future and who believe in working together to take on the world's challenges – poverty, discrimination, environmental degradation, fear of globalisation – through positive approaches that get everybody to the party. This optimistic, can-do Canadian attitude, exemplified so strongly in Hong Kong's Canadian community, is also reflected in our music: innovative, confident, assertive and forward-looking.

So tonight, let Canada rock your world!

Jeff Nankivell  
Consul General of Canada

## FROM THE HEAD OF THE GOVERNOR'S COUNCIL

Dear Friends,

Welcome to the 2018 Canadian Chamber of Commerce Ball! I know we are all excited about the return of this highly anticipated annual event, along with the opportunity to reunite with the Canadian business community in Hong Kong.

And what a community it is! With nearly 300,000 Canadians living and working in Hong Kong- one of the largest Canadian communities abroad- and roughly half a million people of Hong Kong descent living in Canada, the Hong Kong-Canadian relationship has never been stronger. Given the Canadian Chamber's longstanding role as a speakerphone to broadcast information and business networking between the two groups, it is a given that some culture would also slip through. But this year, instead of settling for whispers of Canadian culture, we will celebrate it as loud as we can. And what better way to do so than with some music? Ladies and gentlemen, let me welcome you once again to the 41st annual ball: Canada Rocks!

This year we will be celebrating the rich history of the sounds of Canada. At every turn of music, Canadian artists have been among the front-runners, championing and expanding on the medium. We have a night planned to live up to that legacy. So sit back, relax, and enjoy the show!

We are also proud to welcome Terry Fox Run as our beneficiary. We hope that many of you will be able to show your support for this worthwhile charity during an evening filled with dining, dancing and festivities. Last but not least, I would like to express our sincerest gratitude for the generosity of our attendees, donors, sponsors and advertisers who have kept "CANADA ROCKS" rolling.

Thank you once again for attending this year's Canadian Chamber Ball – I hope everyone has a great time!

## FROM THE CHAIRMAN

On behalf of the Canadian Chamber of Commerce in Hong Kong, welcome to our annual ball! As always it is an honor and a pleasure to see our community of Canadian business members, partners and supporters come together for an evening of entertainment and enjoyment.

This year's theme, "Canada Rocks!" pays tribute to Canada's many contributions to the global music industry. From the ceremonial music of our First Nations peoples to folk songs and orchestral symphonies, from choirs to big band swing, pop and rock, Canadian music has made an indelible mark since our founding, and we are proud to claim many of the world's most famous musicians as our own.

Tonight's event is about celebrating the curiosity, creativity, innovation and drive for excellence that have made these sons and daughters of Canada household names in their own right. And indeed, these are some of the qualities that represent the very best of what our nation is known for today. But music is also about connecting people, breaking down barriers and creating shared understanding – the same goals and ambitions that I am proud to say have made the Canadian Chamber of Commerce a "rocking" force here in Hong Kong for nearly 40 years.

The work of the Chamber is helped enormously by our valued sponsors, and our annual ball would not be possible without the support of those who are represented here tonight. I also warmly thank the many companies who have contributed an exciting line-up of products and experiences for all of you to bid on and win in our silent auction or raffle, with proceeds going to the Terry Fox Run Hong Kong to support cancer research.

I would also like to thank the tireless work of the Canadian Chamber of Commerce Secretariat, who continue to make this an unmissable night of fun and festivity.

I sincerely hope to meet as many of you as I can this evening, or at one of the Chamber's many networking events for members and non-members throughout the year. In this, I take the liberty of borrowing the words of one of our arguably best-known musicians:

"Music brings people together. So my function in anything I do is to help bring people closer in."
