## WELCOME MESSAGE FROM THE CONSUL GENERAL OF CANADA

On behalf of the full 150-member team at the Consulate General of Canada in Hong Kong and Macao, let me extend my heartfelt best wishes to members and friends of the Canadian Chamber of Commerce in Hong Kong gathered for this very special Glitter & Gold Ball. After necessary postponements these last two years, the Consulate is truly delighted to join the Chamber in marking this special occasion and celebrating the return of this flagship annual event. I know much hard work, time, and resources have gone into organizing this Ball: deep thanks for all of your efforts, and warm congratulations on the Ball's resounding success.

The Glitter & Gold Ball comes at an especially exciting time for me. Having just arrived in Hong Kong in late October, then undertaking quarantine, I've recently begun my outreach to the extensive Canadian community in Hong Kong and have not yet had the opportunity to meet many of the CanChamHK members. I'm delighted to have the occasion to meet so many of you at this evening's event!

Canada shares a special relationship with Hong Kong, with over 300,000 Canadians living in Hong Kong - the largest Canadian community overseas. The city has over 100 Canadian companies, and many other Canadians are employed by Hong Kong and international institutions. It's no wonder that CanChamHK is one of the largest and most active Canadian Chambers globally. During the pandemic, the community has become more important than ever, and I am thankful there is such a vibrant community here.

In the coming weeks and months, the Consulate General team and I look forward to working closely with CanChamHK members and friends of Canada. In the meantime, may I take this opportunity to wish you all a very enjoyable and memorable evening and thank you for supporting the Glitter & Gold Ball.

## WELCOME MESSAGE FROM THE HEAD OF THE GOVERNORS' COUNCIL

Welcome to the 2021 CanChamHK Annual Ball! This is one of the most anticipated events in our calendar and after two years of not having the Ball in person, I am very pleased to be with you tonight.

Our Glitter & Gold theme for this year's Ball celebrates the accomplishments of the Chamber and the steadfast support of the CanChamHK community. As Head of the Governors' Council, I am encouraged by our Governors' commitment and dedication to the Canadian business community and would like to thank them for their generous contributions which have made The Chamber's initiatives possible.

The Chamber's mission is to engage and connect Canadian and non-Canadian members with one another and to expand economic opportunities, where like-minded people can network, exchange ideas, and do business together.

For the upcoming year, I am optimistic about Hong Kong's road to recovery with an auspicious outlook for our community. The Chamber will continue to explore new opportunities to strengthen our mission and bring value to our members.

With this promising road ahead, I hope everyone enjoys their evening of festivities and fundraising. Thank you to all our sponsors for their contributions and the companies that have donated a line-up of exciting products and experiences for all of you to have fun and to bid on to further support the work of the Chamber.

Thank you and have an enjoyable evening!

## WELCOME MESSAGE FROM THE CHAIR

Bonsoir et bienvenue à tous, 各位來賓，晚上好。

It is with great pleasure that I welcome you to the 2021 Canadian Chamber's Annual Ball. I am delighted to see our community finally reunite in person, especially during the holiday season.

This year's theme, Glitter & Gold, celebrates our many achievements. In the past year, the Chamber has organised over 70 events that have reached people across Hong Kong, Canada and other parts of Asia. We also substantially grew our membership by 80%, a historical increase mainly due to the successful launch of our Affiliate Alumni Membership Program.

Our Ball's Glitter & Gold theme also aligns with our aspirations for a bright future in 2022, bringing new opportunities and positive change. Special thanks to our loyal Title Sponsor, Manulife, our attendees, donors and numerous sponsors who have all greatly contributed in making this event possible.

Our chosen charity this year is Make-A-Wish Hong Kong. In addition to providing fundraising support to fulfill a child's dream, this evening's auctions and sponsorship contributions will support Chamber initiatives, including the promotion of youth development through our Internship Program and our Mentorship Program.

Here's to a glamorous night of great food, lively entertainment and fundraising! I hope you make the most of this opportunity to mingle and create memorable moments together as a community.

On behalf of the Canadian Chamber of Commerce in Hong Kong, I wish you and your families a joyful holiday season and a happy new year! Je vous souhaite à vous et vos familles un joyeux temps des fêtes et une heureuse nouvelle année! 祝願您和您的家人佳節愉快!

Warmest regards,
